Dog Star Rescue, Inc. a 501 (c) 3 not for profit organization is located in the greater Hartford, Connecticut area. Our organization is run by a team of dedicated volunteers who share their unique talents and expertise to help save lives. We save dogs from certain death at high-kill shelters and find them loving and caring forever homes. We also help dogs in our communities who are either surrendered or abandoned by their previous owners and provide public education on companion animal guardianship, spay/neuter and Dog Bite Prevention. A branch of Dog Star is Dog Gone Recovery, a group of dedicated volunteers who specialize in helping owners reunite with missing dogs. Dog Star is a young organization run by seasoned rescue volunteers. No matter what your interest, we need your help — **adopt, foster, volunteer, donate, sponsor.**
